Our Open House this year is December 4th, 6-8pm. We plan this big event every year especially for YOU! This is our way of saying thank you so much for entrusting us with your care. Whether it's for primary care, cosmetic or hormone balancing, it's very much appreciated.

We have grown in this location by over 97%. That is phenomenal! This surpasses anything we could have imagined when we started at our current location. We are looking to expand services, we have new staff working with us now, and we need more

space. This is all because of YOU!. We work hard on a daily basis to be the best we can be. We strive to give excellent care. We want to be easily accessible. We don't want fancy automated phone lines that make communication difficult. We want you to reach us easily. Our hope is that you will feel comfortable and cared for.

We will have a Thank You Gift for all that come. There will be food, beverage, and a raffle. We will have representatives from different companies to answer questions about our

products, lasers, and various modes of treatment that we offer. We care about you. Thank you so much for your continued trust in our office. Merry Christmas!
